NOTHING MISSING NOTHING BROKEN

HOW TO BE WHOLE IN A BROKEN WORLD

Getting to work with other folks in the trenches through interviews, speaking and conferences is one of my favorite things to do. I know you're busy. It would be great if you can read the book, but I don't expect you to.

When I'm speaking with you, I'm committed to making you the hero and your audience the focus. I'm here to serve you, not the other way around. I know if I do my job well your audience will feel valued and they'll naturally be interested in the book.

I've created this media kit to make your job easier. If you need anything else, please email me. I can't wait for our chat.

NOTHING MISSING NOTHING BROKEN

HOW TO BE WHOLE IN A BROKEN WORLD

Summary

The book is divided into four sections:

Whole – What does it mean to be complete?

This section acts as an Introduction to the concept of Wholeness – Shalom, in Hebrew. Drawing on the Biblical account of the woman with the issue of blood who is made whole when she encountered Jesus with her faith, God's desire for every Christian to have the same kind of personal encounter unfolds.

Nothing Missing, Nothing Broken – How can you be whole when you've been wounded and life takes pieces out of you?

The way God sees people is contrasted with how they see themselves. His desire is for perfect relationship with each of His children and how people color this in their own minds and through their past experiences – their humanity. People tend to focus on their biggest pain point and the loudest voice around them, causing them to forget or dismiss God's Word to them, yet God doesn't give up on them. He sees them as they are, through the lens of eternity and provides a path toward healing and wholeness.

Shalom in the Church – Why is your wholeness vital to God and the Church?

Each Christian is part of a larger whole, the Church. When one is missing from the ranks, it matters. Each one has a purpose and a call for an eternal destiny, and has an important role to fill. God can, and will, do what He has promised in spite of the humanity and frailties of His people. God can, and will, empower and enable those whom He has called to fulfill the mission of the Church to serve and save others.

Living in God's Economy – What is your value in God's eternal economy?

People are distracted by the economic and social conditions they are living, and don't consider the way God sees the world condition. God has an economy, only His isn't limited to the world we know – His pool of resources is endless and eternal, and not subject to physical constraints.

It's difficult for people to grasp their value in this economy, or to understand the big picture – but when they do, they can have enormous impact for the Kingdom.

Bio

Christine Morrow's purpose and passion is to foster Christian unity and healing throughout the world. Empowering leaders and reaching out to people everywhere, she lives to help others overcome division and build bridges of healing and reconciliation across denominational lines.

Christine has been involved in some level of ministry since she was a teenager. She has worked as a Music Director, Liturgist and Pastoral Assistant as well as leading Bible Study and other small groups in several different denominations. Christine endured physical disability and chronic pain for several years and has experienced many levels of physical healing, and ultimately a miracle healing to her body. She has also survived an abusive marriage, church wounds and almost lost her sons to addiction. She traveled this journey to Shalom, where nothing is missing and nothing is broken and has a passionate desire to help others experience this true healing, wholeness and purpose.

Why it matters

When readers read *Shalom – Nothing Missing, Nothing Broken*, then they will:

- Realize how their wounds and disappointments of the past have led them to believe they are damaged and can never be fixed, much less be complete.
- Encounter true healing and deliverance that the empty promises of the world fail to deliver, and step onto the path of their future.
- Discover and fulfill their amazing potential and purpose in the world and in life.

Because the book will:

- Reveal the truth about who they are and the lies that have been holding them back from exercising their faith and reaching their potential.
- Provide a path to overcoming the wounds of the past and realizing the true healing and wholeness they never thought possible.
- Show how valuable and powerful they are for those around them and for this broken world.
